I hope this email finds you well. I wanted to introduce you to some fantastic community partners who are looking to support the business community in Sussex County. Please meet Steve Maiorano, Executive Director for the Women's Center for Entrepreneurship ([WCEC – Empowering, Educating, Embracing Women Entrepreneurs \(wcecnj.org\)](http://wcecnj.org)) & Claudia Yarborough, Lender Relations Specialist/District International Trade Specialist for the U.S. Small Business Administration, New Jersey District office.

The SBA has been doing walking tours of the downtown/main streets around the state, visiting local businesses alongside state and local resources such as the NJEDA, WCEC, SBDC and more, sharing valuable information on resources available to them.

We'd love to have a discussion and see how we can make this happen in Sussex County as well.

I hope all is well. It was so nice meeting you last Thursday at our meeting with Congressman Kean and representatives from the Women's Business Center network.

I had mentioned that we are planning a walking tour of Main Street in Hackettstown in partnership with the Hackettstown Business Improvement District and the SBA District Office. That has been **scheduled for Wednesday, August 23 at 10:00** and it would be great if someone from the district office, or if the Congressman himself, could join us.

# Businesses to Visit

1. Do you have clients in the area?
2. Are there businesses that have specific needs for services or lending?
3. Are there woman-owned businesses in the area?
4. Are there relatively new businesses in the area?

# Preparing for the Day

1. Reach out to businesses to let them know you are stopping in - Usually done by the local representative / BID / Chamber of Commerce.
2. Print out fliers/resources to leave behind.
3. Don't forget business cards.
